In what must be a record junior turnout, 48 U9-U17 lined up to face the Captain Cooks Fell Race challenge. The U9-U13 is always a joy, the enthusiasm and smiles from the competitors is present in abundance. Jake Phythian Lee followed up his fourth place in Guisborough Woods against older opposition with a win over the shorter Cooks course. Josh Watson chased him to the line to claim second. Florence Wharton also doubling up claim a win in the Girls event with Hattie Stead second. Well done everyone. In a slight error two younger runners set off with the main field, they were quickly caught by marshals and parents, who opted to escort them to the finish via the race route.

It was a sparkling run from Archie Lowe of Middlesbrough Mandale to claim the Captain Cooks Junior Fell Race title for 2019 (u15/u17). As the juniors split from the senior field at the 2 kilometre point, Archie had paced the soon to be senior champion to a record time for the course in its current configuration. By the finish Archie nearly caught the finishline team by surprise with his very swift time. Freddie Wharton followed up his Guisborough Woods junior win with a sprint finish win over Ciaran Lines. In Girls race Bethany Bergstrand Middlesbrough Mandale and Chloe Rylance Ambleside could not be separated with Issy Nichols Scarborough AC third.
