6/12/22 Report added

Comments:

On a mixed day for weather the pre-festive Eskdale Eureka fell race welcomed 119 competitor taking in a challenging North Yorkshire course. The race was the third counter in the Dave Parry Lets Run Winter Fell Race Winter Fell Race Series 2022/23.

It was a winning return to the area for Harry Holmes of Matlock harriers, who led the race from start to finish, luck was not on his side as he failed to break the record he set at last years record by a single second. In the womens race the record was well and truly broken with Louise Mitchell of Durham taking an impressive seven and a half minutes, off the previous mark with a new time of 71.31.

In the mens team competition it was Esk Valley Fell Club, while the womens team prize went to Scarborough AC who placed the best three runners, using the ghost runner for teams with two runners Durham wer first overall followed by York Knavesmire Harriers. Cleveland Mountain Rescue Team provided excellent support throughout the race with race proceeds going to the team to support their tremendous work keeping the community safe. Refreshments were provided for nominal price by Castleton cricket club who open their pavilion each year for our start and finish venue with proceeds supporting the club and well used venue. Considering the amount of rain and the cool temp everyone was very upbeat and all enjoyed the race well done everyone, A big thank you to Margaret and Dave and support from the fell running community.

Next series race and final fell race of 2022 is Guisborough Woods on Tuesday 27th December.
