Comments:

It was a rare dry day for the latest edition of the Gisborough Moors fell Race, though the northerly breeze brought a chill to the air that belied the appearance of the sunshine. The Sea Cadets Hall hosted registration and the post race refreshments and prize giving. The Cleveland Mountain Rescue Team provided support to the main tops around the route and first aid cover. In continuing support for our favourite charity a £1000 cheque was presented on the race start line, being a combination of entry fees from the recent Eskdale Eureka and this version of the Moors race.

130 runners toed the line for the 10:30hrs start, in the race it was a two way tussle of age versus experience, Lee Kemp (V40) and Thomas Aspin (MU23) both Esk Valley Fell Club, Lee's better stamina on the Moor crossing to the final checkpoint at Highcliff Nab seemed to have earned him an unassailable lead, but a navigation error of the descent through

Guisborough Woods gave Thomas the edge and a 15 seconds victory at the Sea Cadets Hall.

Dan Bateson (V40) Scarborough AC ran in third and with three other Scarborough runners in the top 10 to a team victory. Joel McGlynn (MSen) Esk Valley Fell Club also placed in the top 10, but Esk Valleys fourth was just too far back.

In the women's race Catherine Williamson (FV40) Loftus and Whitby AC claimed the win and 11th overall. Georgia Campbell (FSEN) Individual placed second from Penny Browell (FV50) Elvet Striders.

North York Moors AC raced to the women's team win, from Loftus and Whitby and then Northumberland Fell Runners.
