Comments:

2025 marked the 40th running of the Captain Cooks Races, it was the 42nd anniversary of the first race though a couple of events were lost due to the pandemic.

The now well established race creates a real buzz in Great Ayton on New Years Day morning, bringing out the seasoned and not so seasoned runners from age six to age 75 plus. There are four races, three junior and the senior event, all are held concurrently. Ten days out from the event a course recce revealed a few trees down due to Storm Bert, but a course in perfect condition, roll forward and the omens were gloomy, though come New Years Day and the rain cleared away just before registration commenced and stayed away until mid afternoon.

Completers are rare in longstanding fell events, at Captain Cooks we do have one, Graham Robinson of Pickering Running Club has run and finished every one of the forty Captain Cooks Races and he ran the course on the two fallow years as well. A terrific achievement. New Years Day also brings out the visitors, the surname Watson rang a bell as the results were being compiled, there are four brothers Jake, Joe, Barney and Zach, all of Trafford AC turns out they all competed in the U9/U11's in 2017 and have returned each year ever since. Registration was again shared between The Royal Oak Public House and the Lets Run running shop, both were kept busy as 429 runners signed up to compete and only two non-finishers.

After a short pre-race briefing the main field of 390 set off at 11:00hrs, the climb to the high point of the race at Captain Cooks Monument is two miles away, the first mile is mostly flat and is a full on dash, the second mile includes the main climb of the race, which starts steadily and steepens, as a rule of thumb the second mile takes twice as long as the first. Then comes the return to the village, its mostly down hill on various surfaces and with a second sting in the tail climb at around mile four. The 24 hours of pre-race rain meant the run in from Cliff Ridge Woods was much more puddle and mud than usual.

In the tale of tape it was Harry Holmes (MSEN) Matlock AC who crossed the line first, he was largely unchallenged though had to work hard to make it look that way. 2025 marked a decade of Captain Cooks Races for Harry, he has a terrific palmares , five wins, three runner-up spots, (two events not held due to the pandemic) and the course record for the race in its current form. So well done Harry.

Archie Lowe (MU23) Individual claimed the runners up spot with Josh Watson (MU19) Trafford AC claiming the third podium spot. The next two places were filled by MSEN Joshua Fothergill of Thirsk and Sowerby Harriers and Jacob Hiom Keswick AC. First Veteran home was Hugh Watkin (MV40) Ripon Runners.

In the female race, coming off the back of a good year on the national scene, Rose Mather (FSEN) York Knavesmire Harriers added her name to the role of honour. Rhona Marshall (MV40) Scarborough AC claimed second with Kelly Richmond (FSEN) Pickering RC in third. The next two spots saw cracking runs from two older runners Sharon Thornton (FV50) New Marske Harriers AC and Jacky Murdy (FV55) South Shields Harriers and AC.

In the team competitions it was Scarborough AC who claimed both the female and male wins.

A very big thank you goes to the 25 volunteers who helped on the day, proceeds from the race entry fees are distributed to local charities (prizes are very limited for this one event), so some £3000 plus will be donated over the coming weeks. A first presentation has just been made to the Cleveland Mountain Rescue Team.

Next local fell race is Comondale Clart on Sunday 12th January 2025, the seventh counter in the Dave Parry Lets Run Winter Fell Race Series 2024/25.
