Comments:

The weather was extra kind to the Viking Chasers, it was warm, sunny and just about windless for the open round of the Dave Parry Lets Run Winter Fell Race Series 2025/26. Sid Bolland's Race Organiser and Cleveland Mountain Rescue Team member had a good number of the volunteers out on the hills to support the event along with running community volunteers as well, Thank you everyone.

There was a slight scare with a callout just as the race had started, which meant half the team disappeared, but later returned with rescue duties completed. Being the first race of the series registration was busy with new forms to be completed and new numbers for everyone, the final count was 90 starters, it's still a busy time of year for alternative events.

A couple of reminders for fell runners, kit, bring the Fell Runners Association (FRA) mandatory minimum kit to all fell races, then you are covered whatever the race organiser decides you need to carry as a minimum during the race and numbers, attach them to the front of the torso, its so much easier for the checkpoint marshals and the finish team to read and record.

FRA Mandatory Minimum Kit comprises: a waterproof whole body cover (with taped seams and integrated attached hood), hat, gloves, map of the route (physical copy not electronic) and compass (physical compass and know how to use it), whistle and emergency food.

After a short pre-race briefing the competitors were set off at 10:45hrs on the first of the four main climbs, though there is not much flat anywhere on the race route.

At the finish tape it was Joe Crossfield (MSEN) Individual who claimed the race win, this was some 17 years after competing in the English Junior championship counter race on 21st September 2008 at Lordstones as an Under 16. Robbie Preston (MSEN) now in Pickering RC colours claimed the second place and Paul Lawton (MSEN) Scarborough AC placed third. First male vet was Edward Hinton (M40) York Knavesmire Harriers in fifth, who finished just ahead of the first female Catherine Williamson (F40) Loftus and Whitby AC.

The sole Thirsk and Sowerby Harriers runner was Esther Harrison (F40) made her trip worthwhile with second place and making a return to the fells after some time running on the roads of the world, Katherine Davis (F55) Individual made it an all vet podium in third. It was left to Ella Hargreaves (FSEN) Individual to uphold the younger age group's honour with a fourth place finish.

In the team competitions it was Loftus and Whitby AC women and Esk Valley Fell Club men who raced to victory, Loftus by just a point from Pickering RC.

Surplus proceeds from the race will be donated to the Cleveland Mountain Rescue Team who's work is so important to those in the outdoors be it in sport or for enjoyment.

Next race is Gormire Gamble on Sunday 19th October, guaranteed entries available on SIEntries until close on Thursday 16th October, there maybe some entries available on the day. The third series race quickly follows with Lockton Limping (all Entry on the Day this time) on Sunday 26th October.
