* = Bonus points not included

= Non-counter (team)

Comments:

Valentine's day was splendid for fell racing, bright sunshine, chill, minimal breeze and no wet stuff from the heavens. Registration was held at St Helens Church we were blessed. At The Double was the eighth counter in the Dave Parry Lets Run Winter Fell Race Series 2025/26, and our first coastal fell race (of two on the North York Moors) of the year.

Malcolm Peggs took charge on the day on behalf of Loftus and Whitby AC, Thanks to Mally and the volunteers.

The race over the full race distance was slightly in doubt due to the regular rain preceding the race, but a course check allowed the go ahead with no changes.

Just under 100 runners signed up for the fell race, it was Oliver Shaw of home club Loftus and Whitby AC who eased to victory in a new course record for the 10 kilometres of a shade over 43 minutes. First vet home and claiming the silver medal was Dan Bateson of Scarborough AC, with George Langford York Knavesmire Harriers in third. Robert Preston Pickering RC kept up his consistent form with fourth and second vet home Tim Grimwood Swaledale Runners placed fifth.

Four vets occupied the top five places in the women's race, leading home was Becky Penty York Knavesmire Harriers, followed in by Rhona Marshal Scarborough AC, third Place and the senior was claimed by Rose Mather of York Knavesmire Harriers with Esther Harrison Thirsk and Sowerby Harriers fourth and Hester Butterworth Scarborough AC fifth.

In the team competition Scarborough AC women with Marianne Borsheim their third counter claiming the spoils, in the mens team, Esk Valley Fell Club with four runners in the top 15, 6 Matthew Clark 7 Ian Rowan 12 Tom Hustwitt 13 Stephen Pugh maintained their winning ways.

The points tables are taking shape, current positions to be published shortly, also David Bannister is hoping to reschedule Commondale Clart, update soon.

Next series race is just two weeks away, Eskdale Eureka on Sunday 1st March, this one is supported by Cleveland Mountain Rescue Team with members of the team on course.
