**Comments:**

The first day of March is significant as the meteorological start of spring in the Northern hemisphere and Saint David's Day in Wales. The weather was certainly spring like, the sun made an appearance with some definite warmth apparent, there was a cooling breeze and the rain was absent. The course of 14.5km and 500m of ascent had mostly dried so another terrific day for fell racing on the North York Moors.

Registration was hosted in the Castleton Cricket Club pavilion, the club volunteers were on hand with refreshments pre and post race for runners, supporters and volunteers, funds raised support the operation of the club.

Race Organiser was Sid Bollands of the Cleveland Mountain Rescue Team, with the team providing the marshals on course along with wider running community help. Proceeds from the race will be donated to the team. There was a start line presentation of a cheque to the team of a contribution from the New Years Day Captain Cooks Fell Race, a tidy sum of £1000, well done to everyone involved.

In the tale of the tape it was a sprint for the line in the overall positions with youth embodied by Harry Butterworth MU23 Scarborough AC claiming the win by a handful of seconds from the first veteran and teammate Dan Bateson MV40, completing the podium was former SAC member Robert Preston MSEN now Pickering RC. In what could have been a clean sweep Paul Lawton MSEN Scarborough AC placed fourth.

With three runners in the first four home the team prize was an apparent stroll for Scarborough, though finish line discussion turned to who else was Scarborough running. Fifth place went to Esk Valley's Ian Rowan MV45, and two Eskers came in 7th and 8th. Sixth position went to Peter Walker MV40 York Knavesmire Harriers, they then placed a further three runners in the top 16 males to have the provisional team lead. Esk Valley then finished a fourth runner to take over the team lead. The question now was would Scarborough be able to place a runner high enough to win, as it was Ekaitz Unanue MV45 in 27th male who claimed the win from Esk Valley in second and York Knavesmire in third. Further down the field there was a tight tussle for the MV60 category with Jim Rogers City of Hull AC David Hughes North York Moors AC David Allison North York Moors AC separated by 17 seconds at the finish line.

The womens race was not quite so close, with Catherine Williamson FV40 Loftus and Whitby claiming the win in tenth overall, from Rhona Marshall FV40 Scarborough AC in second and thirteenth overall, the podium was completed by the first senior runner Kelly Richmond of Pickering RC. Making it a double team Scarborough claimed the womens prize with Hester Butterworth FV55 and Marianne Borsheim FV50. Pickering RC the only other team to place three female runners claimed second place. The womens race Marianne Borsheim W50 Scarborough AC Steph Lishman W50 Esk Valley Fell Club Sally Carro Goodwill W50 York Knavesmire Harriers, had their own age category tussle finishing one after another and within about a minute.

Next race in the Dave Parry Lets Run Winter Fell Race Series in Blakey Blitz on Saturday 14th March, registration at the Lion Inn on Blakey Ridge from 9.00am, race start 10.30am.
