Comments:

The Hooded Horse, in its second year in the fell race series, was the penultimate counter (12th of 13) in the Dave Parry Lets Run Winter Fell Race Series 2025/26.

The event on the fell race style spectrum is definitely at the trailly end which maybe doesn't suit those looking for a tough North York Moors fell challenge, the race did though attract 192 advance entries with 172 putting their foot on the line and with over a third female. It does pack a punch with near 400 metres of ascent in its just under 11km distance.

The scenic woodland setting does bring its own complexity, with the mix of more formal tracks and trails and the less so created by walkers and mountain bikers. As it was on the day, unfortunately a group of runners did miss a path and consequently a checkpoint so are not included in the timed results. This though should not detract from an enjoyable event, and thanks must go to Thirsk and Sowerby Harriers, their race organiser Helen Ashworth and the many volunteers from the home club and wider fell running community, and hopefully does not deter from future participation in a terrific and challenging sport.

Registration was hosted in the very civilised setting of the Yorkshire Gliding Club cafeteria, the start and finish location were then a shortish walk down the hill past the hillside 'White Horse'.

In the tale of the tape, it was Mikey Garbutt MSEN Loftus and Whitby AC who led home in a new overall course record of 43 minutes 47 seconds.
